[DAILY TIMETABLE \(subject to change\)](#)

We are excited to give you a sneak peak at one of our international presenters:

**Presenter: Blue Mew**

Hey there, my name is Blue Mew, I'm a veteran of multiple age play conventions and retreats! I've attended CapCon, TeddyCon, West Coast Jungle Gym, US Littles, and TOMKAT in Canada! This will be my first time visiting the land of Kangaroos and Koalas, though! I'm super excited to share my previous experiences at KangaCon and encourage shy little ones to have fun and make friends! I can't wait to you all. If this is your first age play event ever, relax. Yes, it will be over whelming at first. But, trust me you'll have such a great time!

**Presentation:**

Newbies, first timers, timid ones, or anxious attendees - this is your class! I was just like you once - unsure of what I was getting my myself into and painfully shy. Learn about what my experience was like going to an age play convention for the first time was like, what I've learned, and how I've grown since then. The goal here is to provide you with information, experience, strategies, motivation, and encouragement to help you step past the inhibitions that might otherwise confine your engagement at the con.

Thanks to the generosity of [Brisbane Tiny Tot's Age Players](#), this amazing ball pit will be one of the many attractions at Kangacon!

What are you most looking forward to experiencing?

How many balls are in the ball pit? Great question....

We have a competition coming soon where you can guess! Winner to be announced at KANGACON.

Can't wait to see you all there!

The Kangacon team!
